ANet testing schedule:

Monday, June 1 -- make-ups

Daily schedule: 9:00-11:00 (15 min break at 10:00 and then scholars will continue until they have completed both ELA and Mathematics)

During this time window, students will:

- Join a Google Meet with their classmates and teacher (Including on makeup dates, if needed)
- Log into ANet (in another browser window/tab) via the link provided in Google Classroom and complete their test.

Teacher will be in Google Meet to demonstrate how to log on, monitor progress and provide support.

Everyone who has completed ANet will continue to work on Unit 2 in all their subjects on Apex

8th Grade

June 5th Unit 2 Completed in Apex for All Subjects

June 9th Virtual Graduation

June 13th Virtual 8th grade Dance

Academic Dishonesty

Parents it has come to our attention that some scholars are looking up answers on the internet. This is a form of cheating and is not tolerated at UYA. If we suspect your scholar is engaged in this type of activity they could be subject to a verbal test on google classroom and/or further discipline actions. Thank you for your cooperation with this matter.

Map Skills

Scholars should have received username and passwords for Map Skills to assist them with learning standards for the current and upcoming school year.

A link has been provided for them in their google classroom and all the scholars has to do is click on the link and log in to complete the mission for the week. This resource is intended to compliment the weekly assignments.

Elementary Google Classroom

Technology & WiFi

This is just a reminder that the Google Classroom and the Apex platforms are made to run on game systems (PS3, PS4, XBOX, etc.), cell phones, ipads, and tablets. Please make sure your scholar is logging in everyday on one of these devices. If you need assistance with any of these devices do not hesitate to reach out to the teacher or Principal.

Xfinity WiFi Free for Everyone: Xfinity WiFi hotspots across the country are available to anyone who needs them for free- including non-Xfinity internet subscribers. For map of Xfinity WiFi hotspots, visit www.xfinity.com/wifi Once at a hotspot, consumers should select the "xfinitywifi" network name in the list of available hotspots, and then launch a browser.
